Dear Parents and Carers

Re: After school enrichment clubs.

In preparation for the next academic year and in light of the forthcoming financial cuts which will have a dramatic impact on all schools, Abi, Mairead and I have been discussing ways in which the school will be able to continue offering its much-loved, broad range of enrichment clubs.

Unfortunately, financial cuts mean the school can no longer offer the clubs free of charge or at a much subsidised rate.

With this in mind, the full cost recovery for each club has been calculated at £4 per session which parents would be expected to pay a half term minimum in advance to enable the school to continue offering the range and quality of clubs.

It is also hoped by September, that the School Money system will be adapted so that parents will be able to pay for their children's clubs on-line.

Parents requesting the option to pay annually in advance will receive an **early bird discount of £100 per academic year** per club.

Parents who have expressed an interest in sponsoring a child's place will be given the option to donate via the School Money site. Donations may be made for a specific child or to a general fund enabling the cost to be reduced laterally across all low income families.

**For those families experiencing financial hardship an application process is being proposed to offer successful applicants a 75% subsidy, thus each club will cost £6 per half term or £38 per academic year.**

Attached to this letter are a list of clubs which are currently on offer alongside additional clubs which the school council, in consultation with children, has requested.

It would be helpful for commissioning services in September if you could identify in order of preference which clubs you would be interested in your child attending or any other suggestions you may have.

Many thanks for your continued support and feedback.

Kindest regards

Caroline Gartan Clubs Manager
