**Maths at Home:**

A series of easy to use videos to help your child apply their mathematical understanding at home.

This website requires your child's LGfL username/password.

<http://mathsathome.lgfl.org.uk/>

**J2Blast:**

A number of game based learning resources to support times tables as well as separate KS1 and KS2 arithmetic games. Pupils can practise to play anonymously against the clock and others around the world!

This website requires your child's LGfL username/password.

<https://www.j2e.com/j2blast>

**BusyThings:**

Has a number of age appropriate activities to support learning in Maths. Not all of these can be accessed on tablets.

This website requires your child's LGfL username/password.

<http://busythings.lgfl.org.uk/>

**Sumdog:**

This is a collection of games targeted to the appropriate age/level. It is available on a web browser or as an app on tablets. A parent account is available free of charge.

<https://www.sumdog.com/>

**Prodigy:**

This has a free account section which allows parents to set up an account for their child. It is targeted for pupils in years 1 to 6 and above.
