Dear Parents and Carers,

## **Summer information to parents on your child's progress and attainment.**

This year the school are trialling a different procedure in terms of end of year information to parents.

The school provides every parent with a detailed individual report on your child's progress and attainment at the end of each academic year. This report is written by your child's class teacher, and any specialist staff that teach your child specialist subjects, also contribute to the report.

This year we will not have formal parent's meetings as in previous years. Your class teacher will give you a copy of your child's end of year report on Monday 9<sup>th</sup> July, Tuesday 10<sup>th</sup> July or Wednesday 11<sup>th</sup> July.

If you have any queries or concerns arising from the report, once you have time to read it, please contact the school office to make appointment with your child's class teacher in the week beginning 16<sup>th</sup> July.

We are trialling this way of working this year, and would value your feedback in due course.

Yours truly,

Abi Misselbrook-Lovejoy  
Executive Headteacher
