## WRITING

### Word of the Day

Widen your child's vocabulary by teaching them and new word each day. Can they write or say a sentence using the new word? This weeks words are:

- marvellous
- frothy
- absurd
- unique
- outrageous

### Habitats

A habitat is a natural environment where animals live. It provides animals with 3 important things: food, shelter and a safe place to raise their young. Draw a picture of the habitat of a frog and label the things in it. You can also write a sentence about the habitat of a frog.

## PHONICS

Watch Mr Thone does Phonics – ai sound.

<https://www.youtube.com/watch?v=Fbmpw192MSg> How many things around the house can you find with the ai sound? Can you write a list of them? Choose one word to write a sentence about.

## MATHS

How many different ways can you make the number 6? Use breakfast cereal to make different combinations of numbers that equal 6.

Listen to the counting to 20 song.

<https://www.youtube.com/watch?v=0VLxWIHRD4E>

Can you write all the numbers to 20 in order and form them correctly?

Go on a 3D shape hunt in your house. How many shapes can you find? Can you name them all and count the number of edges, faces and vertices?

## MUSIC

### Daily Singing!

Our Spring Songs: <https://www.youtube.com/watch?v=Nfr-1HXF300>

Spring Chicken: <https://www.youtube.com/watch?v=IEey4LZLeGw&t=46s>

Can you make up some actions to go with the song?

Why not try to make your own musical instrument? <https://www.youtube.com/watch?v=pFfBrCyHfWs>

Maybe you can use your instrument to keep the beat to the songs you sing.

## UNDERSTANDING OF THE WORLD

Take time to talk to your children. Be open and honest and explain about the virus in a way that they will understand.

Talk about reasons for isolating socially and reiterate that home is the safest place to be and that's why you are staying in as much as possible.

Ask your child what helps them to feel safe and work together to create a space where they can find security. Extra cuddles and time together will be comforting.
