

## READING

If you have got seeds for growing at home, why not plant them and then write instructions for other people to follow. Look at these great photos of cress seeds and read the story together.

<https://www.twinkl.co.uk/resource/t-t-27769-eyfs-sams-seeds-story-powerpoint>

Read this story about an enormous vegetable!

<https://www.twinkl.co.uk/resource/t-t-12321-the-enormous-turnip-ebook>

Can you retell the story in your own words using these sequencing pictures?

<https://www.twinkl.co.uk/resource/t-t-630-the-enormous-turnip-sequencing-4-per-a4>

## WRITING

Now write your own words or sentences about the pictures from the story.

<https://www.twinkl.co.uk/resource/t-t-17039-the-enormous-turnip-storyboard-template>

**Challenge:** Why not write your own story about a different enormous fruit or vegetable and describe what the characters have to do!

You could start by drawing it and labelling it with adjectives.

<https://www.twinkl.co.uk/resource/t-t-7963-the-enormous-turnip-book-review-writing-frame>

Try filling in this book review, thinking about the structure of the story.

## Home Learning Tasks Reception – 27/04/20

### COOKING

<https://simply-delicious-food.com/easy-pizza-toast/>

Can you make your own pizza-toast? The recipe is adaptable so you can change your toppings to make your ultimate pizza! Enjoy!

## MATHS

This week we are revisiting subtraction! What does subtraction mean? Can you think of any other words for subtraction? (take away, subtract...). Like last week can you say a sum and ask your child to write it using the – and = symbols. Work through finding the answer using objects around the house. Remember to draw attention to the fact that when we subtract we will have less than when we started because we are taking away.

Challenge:

Make this harder with higher numbers, using a number line instead of objects, and ask your child to think of their own sums.

### PHONICS

<https://www.youtube.com/watch?v=kCKff7YBhv8> Watch Mr Thorne teach the 'ur' sound found in turnip. Can you write a list of all the 'ur' words you can think of.

<https://www.youtube.com/watch?v=TfK7EcfcLEM> Watch Mr Thorne teach the 'or' sound found in enormous. Can you write a list of all the 'or' words you can think of.

## SPANISH

¡Hola! This week, revise your numbers and learn some colour vocabulary by watching the videos I made last week in Newington Green's Holly classroom. Hasta pronto, chicos. Janet.

<https://www.youtube.com/watch?v=t6EYcCkZJBM>

## UNDERSTANDING OF THE WORLD

How many seasons are there?  
Which season is it now?  
What kind of things happen in this season?

Draw a picture or write a sentence about your favourite parts of the season.

## PSHE

Look at faces showing different emotions. Talk about what types of emotions there are and what they mean. Then discuss how you are feeling today. Afterwards, you could make pairs of different emotion cards and play snap with them.

## EXPRESSIVE ARTS AND DESIGN

Can you paint some pictures inspired by growth and nature?

Leaf printing and leaf artwork

Find a rainbow of colours using wild flowers and leaves whilst out for exercise.

## PHYSICAL DEVELOPMENT

PE with Joe live:

<https://www.youtube.com/user/thebodycoach1>

Yoga exercises

<https://www.youtube.com/user/CosmicKidsYoga>

## MUSIC

Use junk modelling to make a musical instrument and enjoy playing along to your favourite songs.

**Daily Singing:** (try to spend 10 minutes a day singing – remember to warm up your voices first!) Just Sing! [https://www.youtube.com/watch?time\\_continue=179&v=ut5\\_ZaEAS3s&feature=emb\\_logo](https://www.youtube.com/watch?time_continue=179&v=ut5_ZaEAS3s&feature=emb_logo) Complete these fun activities with the people you live with: <https://www.outoftheark.co.uk/ext/pdfs/outoftheark-at-home/SongActivity-JUST-SING.pdf>
