

## READING

You should all be reading at least 15 minutes every day.

Complete the "Plants" Now Press Play activity.

<http://nowpressplay.co.uk/learn-at-home/>

Enter the password: nowpressplay  
Then, click "Year 3-6" then "Science" and select "Plants." Once you have completed the experience, complete the activities below.

## WRITING

This term we are looking at writing **to persuade**. This week you will be writing a paragraph recommending something you have been watching during lockdown. You must convince your teacher to watch it!

Lesson 1: Complete the assignment on Teams looking at persuasive techniques.

Lesson 2: Start planning your own persuasive paragraph. Choose what you will be writing about. Look at the persuasive techniques from yesterday and write a sentence for each one to use in your paragraph.

Lesson 3: Draft your paragraph.

Lesson 4: Edit and publish your paragraph. Upload it to your home learning folder on Teams to try and persuade your teacher to watch your TV show or film.

## SPELLINGS

Fruit, grammar, group, guard, guide, heard, heart, height, history, imagine

Primary School

## Home Learning Tasks Year 4 – 20/04/2020

Home learning will be uploaded to Teams every Monday morning with tasks to do through the week. All worksheets can be found in the Assignments section on Teams.

## SCIENCE

Our new science topic is **Living things and their habitats**.

This week you will be grouping animals in different ways based on their characteristics.

Task: Look at the pictures and sort the animals on the Venn diagrams.

Extension: can you create your own Venn diagrams?

## SPaG

Write a sentence for each of your spelling words.

Revide modal verbs using these activities: <https://www.bbc.co.uk/bitesize/topics/zwwp8mn/articles/zps4pbk>

## MATHS

You should be completing your Doodle maths 5/6/7-a-day every day!

## SMSC

To make a leaflet about some of the local services which have recently become available in your community.

Your leaflet must be informative, positive and bright, explaining what the service is, and where it is located.

[Goodnewsnetwork.org](http://Goodnewsnetwork.org)

## MUSIC

Song of the week

I have a song to sing: <https://www.youtube.com/watch?v=SB8MoU1zkwg&feature=youtu.be> See if you can learn the Sign Language to it!

Complete the activities linked to the song: <https://www.outoftheark.co.uk/exif/pdfs/outoftheark-at-home/SongActivity-I-HAVE-A-SONG-TO-SING.pdf>

Did you notice the pitch going higher throughout the song? Here is a little clip about PITCH: <https://www.youtube.com/watch?v=pc4DmKyCYxs>

## GEOGRAPHY

**Learning objective: To be able to locate the major world rivers on a map (maths link)**

**To use clues to discover the names of major world rivers, their lengths and where they are situated. With this information, you will then draw your own major world rivers. Remember to label your major rivers map and use a key.**

## ART/DT

Junk model animals

Attempt to make a junk model animal out of throw away items like cereal packets and toilet rolls.

Idea 1)

<https://m.youtube.com/watch?v=FOakuJlgmfY>

Idea 2)

<https://m.youtube.com/watch?v=wTtqkLMJig>

(Or do your own thing! Don't worry if you don't have any paint, be creative with what you've got!)

## Computing

For this week, continue with micro:bit online. Satya will be sending you a quiz link during the week.

Here are some tutorials to help you:  
<https://makecode.microbit.org/tutorials>

Remember that you won't be able to do test it out physically so only try out tutorials that can be tested online:  
<https://makecode.microbit.org/>

## DAILY PE:

<https://www.youtube.com/user/thebodycoach1>

If you have a garden then challenge yourself to the daily mile. You will have to time yourself, but we think that if you keep moving (quick walk or steady jog) for about 12 minutes you will have completed a mile.
