

English: This week we will be re-writing the first chapter of the Iron Man.

Monday: Grammar check. Complete the worksheets on Teams, revising all the different grammar features you've learnt – fronted adverbials, dashes, brackets, expanded noun phrases and subordinate clauses. These will help your writing this week.

Tuesday: In bullet points, plan your chapter of the Iron Man. Include descriptive words.

Wednesday: Re-write the first chapter of the Iron Man. You are writing it as a story. Include Monday's grammar features.

Thursday: Edit my uploaded version of the Iron Man. Include detail and many grammar features. After, edit and up-level your own.

Friday: Using fresh paper or the computer, publish your finished story.

Remember to upload them on Teams as I would like to put them in the newsletter for others to read!

Guided Reading:

Our book this term is called Varjak Paw. There are four activities for you to complete on this text in the guided reading folder.

SMSC:

This week we will be learning about the local council and their role. Read the information sheet on Teams and then create bill/law you would like to pass. Then I would like you to film a short clip of yourself explaining that bill and why it should be passed. Upload this onto Teams so that we can have a class vote to determine which of your bills get passed in Elm!

CHALLENGE –how many spelling words can you include?

Spellings: explanation familiar foreign forty frequent government

Primary School

Year 5 – 27/04/20

Work will be uploaded every Monday onto Teams. Have a look in Files and Assignments.

Science:

Before schools closed, we had planned to get frogspawn in our class and watch them grow from an egg to an adult frog. Unfortunately, this won't be possible. But luckily, a teacher from another school called Ms Moore has been keeping frogspawn at home and is documenting the changes for us to see!

You need to:

1. Explore her website, looking at the changes to the frogspawn over **week 3 and week 4.**
<https://sites.google.com/vittorialgfi.org/vittoria-tadpoles/home>
2. Write your second diary entry as a frog going through the next stages your life cycle. Guidance for this can be found in the science folder.

Maths:

Monday: Login to doodle maths and complete the activity assigned to you on *solving number problems*.

Tuesday: Complete the worksheet on *number sequences*. Choose **mild**, **hot** or **spicy**.

Wednesday: Complete the worksheet on *number sequences*. Choose **mild**, **hot** or **spicy**

Thursday: Watch this video on *Roman Numerals*
<https://www.youtube.com/watch?v=49oWYxExWKE> Then complete the doodle maths activity assigned to you.

Friday: Find the hidden message using *Roman Numerals* to help you. Then create your own hidden message for someone to solve!

Remember to upload your work on to teams!

History:

Ancient Greece.

Read the information sheet all about the differences between Athens and Sparta. You will then create a poster (on paper) promoting either Athens or Sparta. Take a picture of your posters and upload them onto Teams.

GEOGRAPHY

Please login to Oddizzi and complete the map skills and online investigation sections. Please upload any work you complete onto Teams.

Password: oddizzi

Feel free to answer any of the other tasks on there too! The tasks and login details have also been uploaded onto teams in the 'File' section.

ART/DT

Architect research: Zaha Hadid
Hopefully you've had a look at the amazing buildings of Zaha Hadid!

This week do some experiments with paper, card or recycled objects.

These experiments are to give you ideas towards your own mini 3D building design.

If you don't have glue, you could always cut and slot the materials together. Here is a link to give you some ideas!

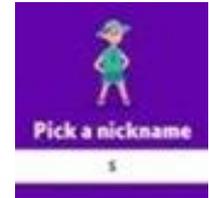

Good Luck!

COMPUTING

Hello Year 5 - This week, you will be using a computing skill called 'abstraction' to help identify animals. Abstraction is about simplifying things; identifying what is important.

Please only use a nickname or the first letter from your name for this game like I did below.

<https://barefootgames.org/barefoot-zoo?ref=https://www.barefootcomputing.org/>

With an adult's help, you can also take a photo or video with an animal using 'Google 3D animals'. You will need a smart phone. Make sure to look out for 'view in 3D' icon.

Complete the activities linked to the song with the people you live with: <https://www.outofthechalk.co.uk/ext/pdfs/outofthechalk-at-home/SongActivity-JUST-SING.pdf>

SPANISH

¡Hola! This week, revise your Spanish food vocabulary by completing the puzzles attached to the home learning instructions. Make sure that you choose the right level of challenge. It's a word document so you can print it if you choose to. You can also revise some of your **Spanish alphabet** from year 2 by watching the video I made today while I was doing my daily mile.
