

## READING

This week have a look at reading a book from here -

<https://www.oxfordowl.co.uk/for-home/find-a-book/library->

Watch, listen and read this book called 'Mad about Minibeasts'

<https://www.youtube.com/watch?v=SW-7MgHEZOE>

Can you answer these questions about the text?

Which season is the book set?

Where do slugs like to be?

Can you name all the minibeasts?

Write down 5 pairs of rhyming words.

How do ants work?

Which minibeast is your favourite? Why?

## Writing

Using the letters in the word caterpillar, what other words can you make?

Make a list of the words you can find - e.g. tap

Pretend to be a scientist looking for minibeasts outside! Make a magnifying glass if you like and don't forget to dress up!

Make a minibeast observation sheet, Scientist's name \_\_\_\_\_

How many legs? It has got \_\_\_\_\_

How many wings? It has got \_\_\_\_\_

What colours? I can see \_\_\_\_\_

Draw the minibeast and name it. The minibeast is a \_\_\_\_\_.

We hope you enjoy them as much as she did!

## MATHS

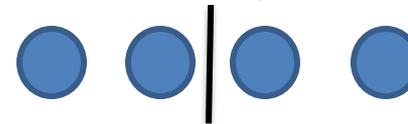

This week we're focusing on halving.

To half something means to **share** something **equally** between **two**.

Draw some shapes, which ones have been shared equally between two? E.g.

If you want to challenge yourself start halving totals! Count out an even amount of objects, then share them into two piles equally. E.g. half of 4

There are two in each group so half of 4 is 2.

Can you make some word problems to solve for halving, e.g. If the dog had 4 bones and wanted to give half to his friend how many would he have left?

**PHONICS** Watch Mr Thorne teach the 'll' sound found in caterpillar Can you write a list of all the 'll' words you can think of

<https://www.youtube.com/watch?v=r3YtQuyS1fc> Play buried treasure. Ask a grown up to write the following words on some paper and cut them up. Place them around the room, can you segment and blend the words? Are they alien words or real words?

Cat, thap, shad, drop, farm, box, graj, pliv, night, power, quog, green, rock, zob, weef.

## SPANISH

¡Hola! This week, we're going to imagine that we're in a café in Spain! **Watch the short video I've made for you, which tells you how to name some of the hot drinks that your adults at home might want you to order for them.** Just like you do with me in class, repeat the new words so that you get some speaking practice. I've put some of the words on the screen so that you and your grown-ups can see how the words are spelled. <https://www.youtube.com/watch?v=kfunVUvRqHl>

## UNDERSTANDING OF THE WORLD

Have a go at completing this quiz about minibeasts. If you don't have access to the internet at home, make your own quiz about minibeasts and test someone in your family!

## EXPRESSIVE ARTS AND DESIGN

Use junk materials you find at home to create a 3D sculpture of a minibeast. You can use bottle tops, cardboard boxes, plastic bottles and much more. Be as inventive as you can! Take photos of your work and share them with us by sending them to [inbox@2buildaprofile.com](mailto:inbox@2buildaprofile.com) make sure you include your child's full name and class in the subject bar.

## PSHE

What makes a good friend? List a few ideas or draw some pictures of friendship.

Think of a friend you're missing at the moment; can you write them a message or create a drawing or piece of art to send to them or give to them when you see them.
