

READING

This week have a look at reading a book from here -

<https://www.oxfordowl.co.uk/for-home/find-a-book/library>

Choose a story from the littlest learner section to share with your family.

<https://stories.audible.com/discovery>

This week's book is....William Worm

<https://www.youtube.com/watch?v=MJlLWw6fFlo>

William looks left and right. Which is your left? Right?

What do you do with your left hand? Right hand?

What can you see to your left? To your right?

<https://www.youtube.com/watch?v=LFsVrQ65JUE>

Make your own game of left/right. Write the words on a piece of paper, then choose objects from your house and garden to put on the left and right. Can you sing the song with your objects?

Writing

Draw a picture of William worm coming out of the ground. Which animals does he see?

Write your own sentences about what he sees and where they are...

COOKING

<https://www.womansday.com/food-recipes/food-drinks/recipes/a53598/smoothie-bowls/>

These smoothie bowls look delicious, and perfect for this sunny weather we've been having. How will you make yours? We changed raspberries to strawberries and sprinkled some walnut on top to change it up.

MATHS

For this week, the first task is to work together to make a clock- this could be a drawing or a 3D model with items from around the house. Work together to make the numbers around the clock, as well as the hands; discuss the difference between the long minute hand and the short hour hand and explain that the hands move clockwise around the clock- moving around towards the next number.

If your child is confident with these go on to make and discuss o'clock times on the clock by moving the hands. Can they make the o'clock times you say?

PHONICS Watch Mr Thorne teach **tricky words**.

Can you write a list of all the tricky words in video. Write them twice, cut them up and play 'snap' or the 'memory game.'

Sight word splat/jump

Write the following words on some paper, cut them up and spread them around the room. When a grown up says the word see if you can find the correct word and jump on it or splat it with your hand. Suggested word list: I, her, my, are, all, you, he, she, we, me, be, they

SPANISH ¡Hola! This week, I'd like you to do some activities with two of the songs we've sung along with and danced to in Spanish lessons. With the numbers song, show your adults at home how you can sing along and show the numbers on your fingers. Do a quiz for your adults by playing the song but pause it after one of the numbers. Can they tell you which number in Spanish they heard last? With the 'Uno, Dos, Tres' song, do a performance of the song just like we do in class, pretending you've got your castanets. <https://www.youtube.com/watch?v=RoZvVtvl4ok>

MUSIC

Shake My Sillies Out!

Learn to sing the

song: <https://www.youtube.com/watch?v=YLKW8RnGfmg>

Can you think of different ways you can get rid of your 'sillies'? Make up some of your own words to the song (march your sillies out, tap your tantrums out, wipe my worries out etc).

Send us any clips of you performing the song or maybe show us some new words you have made!

Find lots of simple educational songs in this YouTube

PSHE

Discuss what it means to help people. What things do you need help with? How could you help someone in your house? Try to be extra helpful this week and then write a list or draw a picture of some ways that you have helped people.
