

Literacy and Communication and Language

Our Story of the Week is: *Oliver's vegetables* by Vivienne French

<https://www.youtube.com/watch?v=2yvllKqyVUc&feature=share>

What is Oliver's favourite food ?

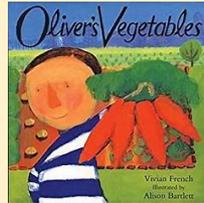

What is Oliver's least favourite food?

Who does Oliver visit with his mum?

What vegetable does he see in the garden and eats for dinner on Monday, Tuesday ,etc?

What vegetables do you eat for dinner?

Can you draw a picture of your favourite vegetable?

Understanding of the World

Quiz Time

The life cycle of a butterfly

Home Learning Tasks Nursery (Apple & Cherry Class) – 18/05/20

COOKING

Fruit Salad!

Can you make a delicious fruit salad and recognise all the different fruits?

<https://dinnerthendessert.com/fruit-salad/>

Fruit Sorting Activity How many different ways can you sort your fruit?

Size, shape, colour, kind of fruit

Big, Small, Round, Long, Soft, Hard.
During your snack time encourage your child to sort the fruit in different ways.
Can they count all the fruit pieces?

Twinkl: For more EYFS resources Twinkl can now be accessed by parents free of charge with this code : PARENTSTWIN KLHELPS <https://www.twinkl.co.uk/> . Please send pictures of your children doing the activities to inbox@2buildaprofile.com for their teacher to add to their online learning journal

Physical Development

Yoga : Betsy the Banana(A Cosmic Kids Yoga Adventure). This yoga session is all about the different fruits and vegetables. Can you use your muscles to stretch like them. <https://www.youtube.com/watch?v=40SZl84Lr7A>

Encourage your child when drawing and writing to develop their tripod grip, see if they can practise the letter 'h' for hippo and 'i' for igloo.

Toilet Training: Now is a great time to work on toilet training. You can use sticker charts as an incentive!

Music and Dance

Join in with the boogie beebies dance.

What is your favourite vegetable?

What action or movement can they be in your dance?

<https://www.youtube.com/watch?v=05gkbhZXaSk>

Meet the veggies:

<https://www.youtube.com/watch?v=ShojUW96vt4&feature=share>

What different vegetables does Mr Bloom have?

Can you think of more?

What do they taste like?

What sound do they make when you eat them?

munch crunch chomp

Farm Animal: Speech & OT

Paper Plate Cow Craft

Items you need: Paper plate, black & paper (or crayons/markers), glue, scissors, eyes (if you have them!)

- 1. First, cut out black spots OR color black spots on the back of the paper plate. Cut out two ovals for the ears.**
- 2. Cut out a pink oval - or draw a pink oval for the mouth. Draw a smily face on the oval.**
- 3. Glue the pieces onto the back of a plate.**
- 4. Play! Make cow noises, talk about body parts and their functions, and have some fun!**

Sensory Fun

Invisible Ink

You will need:

- Lemon juice
- Cotton bud or a paint brush
- Cup
- Paper
- Candle

1. Add about 1 tablespoon of lemon juice to the cup. Fresh squeezed or bottled juice will work just fine.
2. Soak the cotton bud or paint brush in lemon juice and use it to write a message on your paper.
3. Once it is dry, it will be invisible.
4. CAREFULLY hold your paper over a lit candle to reveal your message – try not to set fire to the paper. Get an adult to help you and make sure you have a bowl of water next to you just in case!

You can also "iron" your paper but don't use the steam setting. Put a dry cloth between the paper and iron to protect the iron's surface.

THE SCIENCE

The paper discolours before the rest of the paper gets hot enough to do so. Lemon juice contains carbon compounds which are colourless at room temperature. Heat breaks down these compounds and releases the carbon. When carbon comes in contact with air (specifically oxygen), oxidation occurs and the substance turns light or dark brown.

Try different fruit juices – or milk! – and compare the results.
