

READING

You should be reading at least 15 minutes every day.

- Listen to any audiobooks for free on Audible: <https://stories.audible.com/discovery>
- Listen to David Walliams reading his stories: <https://www.worldofdavidwalliams.com/elevenses/>
- Listen to and read some poems here: <https://childrens.poetryarchive.org/>

WRITING

- Use the daily pictures here to inspire some creative writing: <https://www.pobble365.com/>

Some Ideas for you do over half term

- Write a rap about the four seasons
- Read a book and write a book review to share on Teams once you come back to school
- Draw an imaginary animal that loves the summer sun and write about its characteristics
- A comprehension on Captain Tom
- Handwriting practise
- Write a poem about all the things you like
- Word search
- Colouring in
- Make a Mask
- Make hand puppets

Primary School

Home Learning Tasks Year 4 – Half Term

Home learning will be uploaded to Teams every Monday morning with tasks to do through the week. All worksheets can be found in the Assignments section on Teams.

SPaG

Write a sentence for each of your spelling words.

- Play some games on Spelling City to practise your spelling words: <https://www.spellingcity.com/>

Username: NGPSPupil

Password: Pupil1

- Have a go at some SPaG games: <https://www.topmarks.co.uk/english-games/7-11-years/spelling-and-grammar>

MATHS

You should be completing your Doodle maths 5/6/7/8-a-day every day!

Have a go at some of these maths reasoning problems:

Magic Vs - <https://nrich.maths.org/6274>

Consecutive numbers -

<https://nrich.maths.org/consecutivenumbers>

Folding flowers -

<https://nrich.maths.org/12205>

TIMES TABLE OF THE WEEK

Practise all your times tables this week!

Use these websites to help you:

<https://www.topmarks.co.uk/maths-games/hit-the-button>

<https://mathsframe.co.uk/en/resources/resource/477/Multiplication-Tables-Check>

You could also make your own flashcards or design your own game to help you remember your times tables.

SPELLINGS

special straight strange strength suppose surprise therefore though thought through

HISTORY

Our topic next half term is **Stone Age People**

Over the half term you could start doing some research into the Stone Age.

You could use these websites to help you:

<https://www.bbc.co.uk/bitesize/topics/z82hsbk>

<https://www.dkfindout.com/uk/history/stone-age/>

GEOGRAPHY

Have a look at the Young Geographer of the Year competition

here: <https://www.rgs.org/schools/competitions/young-geographer-of-the-year/2020-competition/>

It would be amazing if some of you entered!

SPANISH

¡Hola! This week, I'd like you to do some activities with some of the songs we've sung along with in Spanish lessons. With the numbers songs, do a quiz for your adults by playing the songs but pause it after one of the numbers. Can they tell you which number in Spanish they heard last? If they don't know their numbers in Spanish, tell them which number it was. With the songs about the months of the year and clothes, listen to see how many words you can remember from class. If you have a visual learning style and find that writing helps your memory, show your adults at home which words from the songs you can write in Spanish. Don't worry too much about completely accurate spellings; Use the phonics you met in year 2.

<https://www.youtube.com/watch?v=RZOD0M3TKxk>

<https://www.youtube.com/watch?v=N01z9uxybpc>

<https://www.youtube.com/watch?v=84EtwTAWTM4>

PE

Try and do some kind of exercise every day! Here are some ideas:

PE with Joe Wicks:

<https://www.youtube.com/user/thebodycoach1>

Cosmic Yoga:

<https://www.youtube.com/user/CosmicKidsYoga>

PE with Sam

Sam's workout videos can be found in the PE with Sam channel on Teams.

Challenge yourself to the daily mile, either at home or while out for your daily exercise. You will have to time yourself, but we think that if you keep moving (quick walk or steady jog) for about 12 minutes you will have completed a mile.

PSHE

Think Positive - A Positive Thoughts Diary For one whole week, you are going to record a positive thought at the end of each day. Before you go to bed, think back and reflect on the day. There may have been things that weren't so great about the day, but you can always find something that went well or that was good. Only positive thoughts are allowed in this diary!

Follow this link to see a template of how you could set out your work.

<https://www.twinkl.co.uk/resource/t2-lf-396-pshe-and-citizenship-y4-think-positive-home-learning-tasks>

MUSIC

Have a listen and learn the song 'Down by the Bay' by watching the video clip and then decide on your own silly rhyming couplets to create new lyrics to the song! After that, complete the Music Activity detailed – feel free to explore the other activities too! Don't forget to send us your lyrics or maybe a video of you performing. Everything you need for the lesson can be found on this link: <https://www.singup.org/singupathome/down-by-bay>

Song of the week:

This song took me a while to master!

Warm up first: <https://www.youtube.com/watch?v=K5ibRYDBFTw&t=1s>

DANG-A-RANG-A-DANG-DO!

Full of utter nonsense, this tongue-twister is huge fun to sing and when mastered will give great singing satisfaction. If you're looking for a challenge, then you've found the right song! Change the playback speed on the YouTube video settings when learning the song so you can hear it at a slower speed. Good luck!

https://www.youtube.com/watch?time_continue=53&v=KmYlmWWe-L8&feature=emb_logo

Send in a clip of you attempting this song. Remember that music gives us opportunities to sometimes be silly and just have fun laughing at ourselves.

Complete the activities linked to the song with the people you live with:
<https://www.outoftheark.co.uk/ext/pdfs/outoftheark-at-home/SongActivity-DANG-A-RANG-A-RANG-DO.pdf>

ART/DT

Make a poster about your favourite artist

The poster should contain the following information:

1. A portrait of the artist
2. At least **two** pictures of their work
3. At least **three** facts about the artist (their life)
4. At least **three** facts about the artist

The poster should be creative, interesting and eye catching!

Please do not rush it!

Options for making:

- a) All hand draw
- b) Made on the computer
- c) Pictures and writing printed out and stuck onto a piece of paper

SCIENCE

Some Science experiments for you to try over half term

- Floating Eggs-Eggs
- Make Lemon Fizzy Drink
- Make a rainbow
- Seed Germination
- Static Electricity

COMPUTING

This week, you can take part in a film making competition for "The Childnet Film Competition". The deadline is 22nd June.

Ask an adult's permission before making the film or submitting it. Do not share any personal information in the video.

What is the Childnet Film competition?

The Childnet Film Competition is now in its 11th year and is open to all young people based in the UK. The challenge is to create a positive, short online safety film or a storyboard with a script in response to this year's theme.

This year's theme:

We want an internet where we're free to...

What are we looking for?

We are looking for films or storyboards that tell us why you want an internet that allows people to feel free and safe online and how we can make this happen. Once again we're on the look-out for films with a positive and clear message about the ways we can use of the internet.

Details for the competition are here: <https://www.childnet.com/resources/film-competition/2020>
