¡Hola a todos! This week, I'd like you to watch the video I've made for you about the seasons and months of the year. Look at how the tree changes through the seasons and listen for your own special birthday month when I cut the birthday cake up. If you've got some paints at home, you could have a go at making one of the 'seasons' prints I demonstrate in the film. ¡Mucha suerte, chicas y chicos! Janet

## UNDERSTANDING OF THE WORLD

Let's go on a treasure hunt! Hide some pirate treasure around your house. It could be anything you want it to be you could even make your own coins from tin foil. Once you have hidden the treasure write or draw some clues to help a sibling, parent or carer find it.
