

READING

This week we are continuing our topic on transport.

Listen to the story **The Hundred Decker Bus** by Mike Smith.

<https://www.youtube.com/watch?v=FjoMDatx0TE&feature=youtu.be>

If you could go on an adventure anywhere where would you go?

What transport would you take?

How did the bus driver feel at the beginning of the story?

How do you think he felt at the end?

Have a look at reading a book from here -

Writing

Choose a form of transport and write a story about an adventure you take on it. Alternatively, draw a storyboard and label it with words to describe what happens in your story.

Will you fly to the moon in a rocket? Sail across the sea in a yacht? Drive across the desert in a camper van?

MATHS

2D shapes!

Use a variety of 2D shapes to make a shape vehicle. Label the shapes and count the number of corners (vertices) and sides. Try to draw and cut out the shapes yourself to improve your fine motor skills.

PHONICS

Watch Mr Thorne does phonics. <https://www.youtube.com/watch?v=VHNTFlcuDc>

Write a list of all the things in your house with the 'sh' digraph. Choose one to write a sentence with.

¡Hola a todos! This week, I'd like you to watch the video about different types of transport. Can you learn the names of the different vehicles? Have a go at teaching them to someone in your family.

UNDERSTANDING OF THE WORLD

Why is transport important? What do these types of vehicles do?

- food delivery van
- blood bike
- tractor
