

## Literacy and Communication and Language

Our topic is: **Transport**

**Story of the Week is:** Duck in a truck by Jez Alborough.

Watch the story: <https://youtu.be/plCm8MigUQI>  
What was the story about? Who was the main character in the story? What type of transport was the duck driving? What is your favourite part of the story? Can you name the animals in the story? How would you do to help the duck? **Phonics song:**

<https://youtu.be/BELIZKpi1Zs>

Make your own mini passport and talk an adult about where you are going, what type of transport you plan to use, who is going with you on your journey.

## Home Learning Tasks Nursery (Apple & Cherry Class) – 06/07/20

### Cooking

**This week chef try making cheese and vegetable muffins**

Watch the step by step guide on how to make your delicious muffins.

<https://youtu.be/xRjtseFJa2k>

Can you name the ingredients that you used?

How many ingredients did you use altogether? What was your favourite part during this cooking activity? How do they taste and smell?

**Well done for making your muffins.  
Remember to take pictures and send them to us. We can't wait to see them.**

### Understanding of the world

Okay little Einsteins

**This week try making lemon volcanoes.**

Watch the clip below on how to make it:

<https://youtu.be/CPOKDru-2ug>

What do you think will happen to the lemon? How long did it take to erupt? Can you hear any sounds? What does it smell like? Watch a real life volcano erupt on this video clip below:

<https://youtu.be/R0Zbj7S22zs>

### Maths

**This week is all about: Shapes and Patterns in your environment**

Have a look in your home and the outdoor environment. What shapes or patterns can you see? What shape is your window?

Design or draw your own transport using different shapes and patterns.

Can you name the shapes that you have used to make a pattern?

**Shape song:** <https://youtu.be/WTeqUejf3D0>

**Pattern video:** <https://youtu.be/a9wt4K5Zup0>

**Twinkl:** For more EYFS resources Twinkl is accessible to all parents free of charge with this code :

### Physical Development

Have a 5 minute workout with Joe Wicks: <https://youtu.be/d3LPrh10v-w>. How do you feel after that workout? Are you tired? How fast is your heart beating? **Physical Challenge:** Stand on one foot and time how long you can stand on one foot for? Encourage your child when drawing and writing to develop their tripod grip.

Follow this link for a great way to practice holding a pencil on Kidz Skillz: <https://youtu.be/glZ3CZkc-al>

**Writing or drawing challenge:** Can you draw a :bus,' car and 'train.' Then write each transport word next to your pictures to match.

**Toilet Training:** Now is a great time to work on toilet training. You can use sticker charts as an incentive. Watch Bing toilet training:

## Music and Dance

Homemade Straw Pan Flutes  
Music and Science Activity for Kids

Can you make your own straw pan flutes?  
How will you make your flute?

Straw Pan Flute Craft

What sounds can you hear, when you blow into your flute? Can you make loud and quiet sounds? Can you make up your own music using your flute?

Play some music and move your body to the beat. Why not dance and use your musical flute. What parts of your body will you use to dance.

## Expressive Art and Design

Right little Picassos let's make paint ice cubes and make some lovely pictures.

What colour paint will you freeze? What are you going to paint? Will you use your fingers or a lollipop stick to paint your picture? What shapes or patterns will you make? What is happening to the ice cubes? How does it the ice cube feel?

Have fun and enjoy!

## 'Me in a bag'

Put **5 items** inside your special bag that is all about you.

"Me in a Bag"

In this bag you will find,  
Things that show I'm one of a kind.  
Five items I really like,  
My family, friends, a hobby, or even a bike.  
So when I share these things with you,  
You'll learn things you never knew!

HomeSpeechHome.com

Then do a **show and tell** to your family and friends. Talk about each item and why they are so special to you? What will you put inside your bag? Why did you choose these items? How do you feel? Did you enjoy this task and why?

## Sensory Fun

Make your own Herb sensory activity

What can you smell?  
How does it feel?  
What does it taste like?  
Where do herbs grow?  
Can you name the herb?  
What was your favourite herb?  
What colours can you see?  
Did you enjoy this activity?
